

“0%” Six-Month Financing is Now Available

If you've been waiting to purchase new therapy equipment, or upgrade to the latest technology—don't put it off any longer. Our relationship with a \$30 billion financial institution enables us to offer you special financing, making it *much* easier to get the equipment you need now. Begin helping your patients today, and generate income as you use your therapy/fitness/chiropractic equipment.

“Smart Deal”

Now you can buy your Physical Therapy/Chiropractic/Fitness Equipment and spread the cost.

Six Monthly Payments - No Interest or Finance Charges

You pay only for the equipment, not for the loan. When you compare that to the rates you would expect to pay on a business loan, we think you'll agree, it is a great offer! What makes this opportunity even more valuable is the fact that you can outfit your entire office *now*.
